Dear Parent/Carer,

Royal Park take the safety of the children seriously, so may we ask for your assistance. There have been a couple of incidence where Nursery children have fallen off the walls along the path leading to the school gates.

Once you have collected your child please be aware of their location and actions, as they walk around the school. Don’t allow your child to walk on the walls with or without your assistance, as other children see this and follow.

Thank you for your support.
Kind regards
Royal Park
