Tuesday 7th May 2019

Dear parents/carers,

During next week, commencing Monday 13th May, your children will be participating in the SATs. This letter will clarify the details of the assessments that will be taking place each day.

Monday 13th May: Grammar, punctuation and spelling.
Tuesday 14th May: Reading
Wednesday 15th May: Arithmetic and Reasoning
Thursday 16th May: Reasoning

In order to ensure that all of the children have the best opportunity of reaching their full potential, from Monday 13th – Friday 17th, we will be providing the children with breakfast every morning, from 8:30am in the main hall. This will be an opportunity for the children to come into school feeling relaxed and ready for the assessments throughout the week. This week will be concluded with a celebratory breakfast on the Friday.

In addition to this, on Monday 13th May, we would like to encourage all children to bring in some goodies to contribute to the SATs Survival Box that they will be able to snack on between assessments throughout the week: biscuits, sweets and chocolate would be great but please ensure that they do not contain nuts.

Finally, we would just like to remind you that the final Booster session will be taking place this Thursday 9th May. There will be no Booster sessions after this date.

If there are any queries regarding any of the events that are taking place next week, please do not hesitate to ask us.

Kind regards

Mrs Macey and Miss Hilton
