Thursday 28th June 2018

Dear Parent/Carer,

Sports days will take place on Wednesday 4th July for EYFS and Thursday 5th July for KS2 in the morning and KS1 in the afternoon.

Continuing our success with our Coloured House System, we would like to encourage the children to wear a coloured t-shirt representing their house (no football shirts please). Along with this coloured top, the children will be expected to wear correct PE kit, including shorts, socks and trainers (plimsoles may also be worn).

The children will arrive in school wearing their school uniform and will change with their class before sports day begins.

If a coloured shirt cannot be worn by a child, they will be expected to wear their normal white PE top, and they will be supplied with a coloured sash or bib for the day.
Your child will be on the field all morning/afternoon, so please make sure they have bottled water, sun cream already applied, or sun caps (weather permitting). Children will be responsible for bottles they bring out with them.

If your child has an inhaler in school this will be taken out with us. If your child suffers with hay fever, please make sure that you have given them appropriate medicine before they come to school (Children should not have any medicine in school).

EYFS sports day will start at approximately 9:30am and should be finished by 12:00pm
KS2 sports day will start at approximately 9:15am and conclude before lunch time at approximately 12:00pm.
KS1 sports day will start at approximately 1:35pm and will conclude at approximately 3pm.

Parents are very welcome to come along and watch their child compete. The Friends of Royal Park will be selling refreshments for you.

At this point I would like to remind both parents and children that sports day will be both a fun and competitive environment and we encourage both team work, competition and most importantly fun. We appreciate the support you give to the school and look forward to once again providing high quality PE opportunities for all of our children.

Yours faithfully,
Mr Goldsmith
PE Teacher
