Wednesday 25th September 2019

Dear Parents,

Next week we will be holding a Tapestry workshop, for parents, to offer support on:
• Setting up your online account and how to use the Tapestry app
• How to set up a 4-digit pin for quicker access
• How to upload any photos or videos to show your child’s learning at home
• How to comment on your child’s learning
• Offer advice on what photo’s or videos you can upload from home.
• Answer any other questions you may have.

Thank you to those parents who have let us know if they will be attending, however, at the moment we haven’t been informed that anyone will require the workshop.
Please can we ask that you complete the slip below and returned by **Friday 27th September** so we can still see if there is a need to run the workshop on both days or if at all.

Many thanks

Miss R Mahoney
Assistant Head of Early Years and KS1
