Monday 11th February 2019

Dear parent/carer,

Re: Treat People with Kindness

At Royal Park, we are committed to ensuring that our children have a good understanding of the world that we live in today. On Wednesday 27th of February, Royal Park will be celebrating differences within our world and community.

We will be looking at different sports personalities and the qualities that are required to become successful in the world of sport. Considering this, children will apply these attributes to their own lives in-order to think about what it takes to become successful themselves and how they can help others. We will also be looking at different artists and making our own artwork inspired by them which will go on display for parents and carers to view shortly. Children will also have a chance to design their own flags that endorse their own values, beliefs and cultures.

In order to show our support for equality and diversity, children can come in wearing non uniform along with a different coloured t-shirt or jumper depending on their year group:

**EYFS (reception and nursery): purple**
- Year 1: blue
- Year 2: green
- Year 3: yellow
- Year 4: orange
- Year 5 and 6: red

In line with our school value compassion, children will be encouraged to share their own beliefs, cultures and values knowing that they will be treated with kindness at Royal Park. We are proud to celebrate, race, religion, culture, physical and learning differences and for the first time this year the LGBT+ community.

Thank you for your continued support.

Miss L Lynch
