29th January 2018

To Year 3 parents,

Our catering providers, Harrisons are launching ‘Chefs Adopt a School’ initiative and have invited Year 3 to take part. There will be four sessions over the next 4 months where the pupils will investigate different tastes and textures; role play a restaurant situation and prepare their own dough, which they will bring home ready to be baked!

The sessions will take place during the school day on the following dates:

Richmond Park – 8th February, 6th March, 3rd May and 12th June

Kensington Gardens – 9th February, 8th March, 4th May and 14th June

These plan to be fun and interactive session and will involve tasting foods. With this in mind please complete and return to the school the attached Allergy management form even if your child does not suffer from any allergies or intolerances. This will allow them to fully take part in these sessions.

Yours faithfully

Mr D Moss
Associate Head Teacher
