Tuesday 7th October 2019

Dear Parent/Carer,

In the afternoon of Wednesday the 16th of October, Year 4 will be holding their own in-school careers fair. They will advertise a career that they selected and researched over the last few weeks, then present their stall to the rest of key stage 2, in order to aspire them to become interested in that particular career.

For the children to have a sense of pride and professionalism while delivering their speeches and presenting their career, we would like them to wear formal, smart clothes. Similar to clothing that would be worn in an office environment.

This can be brought to school with them on the morning of the event and they will change after lunch. We ask that the children do not wear denim.

If you have any questions, please speak to us at the end of the school day.

Kind regards

Miss Danson & Mr Maksymowicz
