Tuesday 17th July 2018

Dear Parents and Carers,

This year, as you are aware, we introduced our new online learning journal ‘Tapestry’. The main purpose of this was to increase communication between school and parents as well as providing opportunities for you to know how your child is doing on a regular basis and offer support on how you can help at home. We will be continuing to use Tapestry within Early Years next year and would appreciate some feedback to help us continue to develop within these areas.

Please answer the following questions as honestly as you can and pass them back to a member of the early year’s team before the end of the term as we value your opinion.

1. What were the benefits of using Tapestry this year?

2. Did you find it easy to use and were you comfortable with using it as a way to communicate with your child’s teacher?

3. Were there any limitations or difficulties using Tapestry?

4. Did you feel comfortable contributing to your child’s learning by uploading photos and videos? If no, is there anything we could have done to help?

5. Is there anything else we could have done to help increase communication or provide more opportunities for you to know about your child’s learning and how you can help at home?

Kind regards
Miss R Mahoney
